

# Honouring the best in the business sector

The second edition of the Times Business Awards 2019, held at Roseate House, Aerocity, New Delhi, recognised excelling business entities and promising entrepreneurs. Over 25 organisations made it to the coveted list of winners. The winning business entities included established and budding entrepreneurs across various verticals such as FMCG, IT, healthcare, education, communications and real estate.

Some of the industry players that were in the awards list were realty groups such as Gaursons India, ACE Group, Rise Group, Ambience Group, Mahagun Group and Supertech Ltd. The winners in other verticals included Apis India Ltd, Studio XP, Sanfort Group of Schools, Anondita Healthcare, Oppo Mobiles India Pvt Ltd etc.

The guest of honour for this one-of- its-kind mega event was **Divya Khosla Kumar** and **Gayatri Bhardwaj**, fbb Colours Femina Miss India United Continent 2019.

An initiative by the Optimal Media Solutions, a division of Times Internet Ltd, the event aimed to identify the best work being delivered in industries under various categories. The awards were the outcome of a rigorous scientific methodology conducted by independent research agency Market Xcel Data Matrix Pvt Ltd that included both factual and perceptual components to identify the achievers.

The event was curated with the objective of appreciating the established and emerging entrepreneurs. Many stakeholders converged to discuss and talk about crucial issues affecting the real estate sector in an enlightening panel discussion. The distinguished panelists hailing from the real estate sector were unanimous in the opinion that the sector is a good investment bet in the long-run. The panelists expressed optimism that soon, the realty sector will witness higher demand and growth with affordable housing being the main driver of the segment.

The award ceremony was interspersed with scintillating performances that enthralled the audience. The event concluded with a vote of thanks.
